

A meeting that combines the need for incorporating evidence-based medicine and expertise to enhance patient care. Come and find out the latest on distal radius fractures research, virtual patient interfaces, controversies in payment models, and more! This year the OOA is pleased to welcome spine surgeon, motivational speaker and Youtube personality Dr. Antonio J. Webb, M.D. as keynote, as well as Dr. Mark Glazebrook who will present a talk: COA: A Year in Review.

Overall Learning Objectives:

1. Understand practice changes during the pandemic while caring maintaining the standard of care.
2. Explore Ontario's health care policies such as the RAC and payment models.
3. Continued professional development in common orthopaedic problems.

Note: 25% of the session times are allocated for interactivity

Accreditation:

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by The Canadian Orthopaedic Association.

Friday, November 6, 2020
