

#OOA2021

ONTARIO ORTHOPAEDIC ASSOCIATION 44TH

ANNUAL SCIENTIFIC MEETING

NOVEMBER 5 - 6, 2021

LEARNING OBJECTIVES

A meeting that combines the need for incorporating evidence-based medicine and expertise to enhance patient care. Come and find out the latest on Hip Fracture Research, Outpatient Joint Replacement, Virtual Patient Care, Dealing with the Elective Surgery Backlog, and more! This year, the OOA is pleased to welcome Dr. Mo Bhandari as keynote, who will present a talk: The Elective Surgery Backlog.

Overall Learning Objectives:

- Understand the scope of the surgical backlog and potential strategies to manage it.
 - Maximize the potential for virtual care for both elective and non-elective procedures.
 - Best practices for outpatient joint replacement.
-

Accreditation:

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by The Canadian Orthopaedic Association.

Total accredited hours: 8.15

Please note:

- All times listed in the program are in Eastern Standard Time.
- A minimum of 25% of each session will be dedicated to participant interaction.

Friday, November 5, 2021
