# ONTARIO ORTHOPAEDIC ASSOCIATION 41<sup>st</sup> ANNUAL GENERAL MEETING

HYATT REGENCY TORONTO

TORONTO, ONTARIO

NOVEMBER 2-3, 2018

## Learning Objectives

The learning objectives for this meeting include:

- To explore issues affecting orthopaedic patients along the continuum of life from cradle to grave
- To reflect on the current changes in the healthcare system environment in Ontario and beyond
- To update surgeons on recent advances in orthopaedic surgery
- To update surgeons on evidence-based practice in orthopaedic surgery
- To reflect on the changing landscape of Health Care in Ontario
- To understand and discuss controversies in management of specific fracture patterns
- To update surgeons on best practices in treatment of hip fractures
- To update surgeons on common pediatric orthopaedic injuries and review their optimal management
- To provide a comprehensive review of the opioid crisis and the role of medical cannabis in pain management

## Accreditation

*This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Orthopaedic Association. Each hour of attendance is equal to one (1) CME credit to a maximum of 11 credits.*

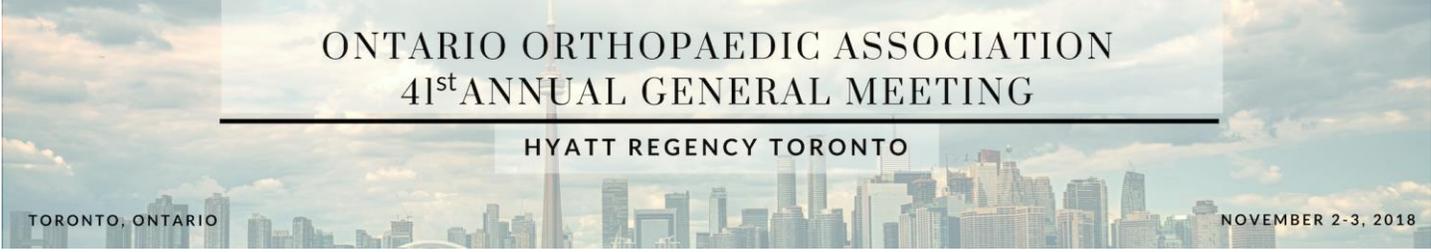

## Evaluation and Certificate

The OOA 41st Annual General Meeting evaluation and Certificate of Attendance will be sent to all attendees by email. Please contact our office at [ooa@secretariatcentral.com](mailto:ooa@secretariatcentral.com), or phone us at 905-415-3917 with any questions.
